Memories

Please pass on my regards to Kevin's family. I was shocked to read this news this morning - Kevin was a fun-loving individual, a joker who was always entertaining and I have fond memories of his antics. I am sure he will be sorely missed.

I don't remember when Kevin started MVS but recall it must have been sometime like 3rd or 4th grade so I knew him for quite sometime. My heart aches for his family.

It makes me very sad to hear this news. Kevin was in my brother's grade, two ahead of mine, and I always liked him. Kevin always had a smile and a kind word to say, and he talked to me like a person, not as my brother's sister. I was sad when Kevin graduated from MVS, I missed his pleasant smile at school.

I told my mom today of his passing, and she too was very sad. Kevin was always able to talk to anyone, and he always made a point of talking to my mom at sporting events and other school activities.

Such a shame.

I remember Kevin so very well. He was full of life and mischief. He had a smile that wouldn't quit. I ran into him in Columbus several years after he had graduated from MVS. When he saw me his face lit up and had a smile a mile wide. I'll never forget it. What a loss for humanity. My heart goes out to the family.

I am beside myself! I have thought of Kevin's kindnesses to me as a high school kid repeatedly over the years. As a young lady who didn't quite "fit in," Kevin always had something nice to say... His kindness is emblazoned in my memory as one of the highlights of my high school years! Your family is eternally in our families prayers.

Kevin will always have a special place in my heart as we were best friends for such a long time. Even in adulthood we still had such great and interesting conversations. It is rare to find friends who span life times. I have such great memories of Kevin and his family. Thank you for such a wonderful gift I will carry them with me always.

I am so very sorry to hear about Kevin's passing. As a fellow Miami Valley School student, I always found him to be cheerful, outgoing, and warm hearted. My sympathies to his family- he was a wonderful person.
