

2008 IMMERSION FINANCIAL AID REQUEST FORM
The deadline for financial aid requests is Friday, October 5, by 3:30.

NAME _____ GRADE _____

I would like to apply for financial aid for the following Immersion program:

Name of Immersion: _____

Cost of the Immersion: _____

My family (including the student's contribution) can contribute \$_____ towards the total expense of the program.

We (the student and parents) are applying for financial aid in order to participate in this Immersion for the following reasons. Please indicate in sufficient written (attached on a separate sheet of paper) detail what portion of the total Immersion expense the student (with the family) is able to contribute, making special mention of the efforts (also written) the student has undertaken in planning towards Immersion costs. Students are encouraged to earn at least a portion of the cost of their programs.

Awarded financial aid funds will be transferred and credited directly to the Immersion program selected, in the student's name.

In the event of an unanticipated circumstance a student is unable to pursue the Immersion program for which he or she received financial aid, the student will meet with the Head of the Upper School to determine a second choice and ascertain whether the award may be applied to that offering.

Financial Aid:

Income from the Thomas N. Elmer Immersion Endowment Fund is made available annually to students who wish to pursue an Immersion option that would otherwise be denied them due to cost. Understand, there are currently very "limited" funds available; therefore, such requests should be made accordingly. Request for the complete cost (or significant percentage of higher cost Immersion programs) of any Immersion will not likely be awarded. Upon reviewing the requests, the Head of the Upper School will determine the size and number of awards to be presented each year. As this fund continues to grow, more requests can be granted.
